BIOGRAPHY

Lindainês Zulian has been an attorney at law at Licks Attorneys' São Paulo office since 2026. Ms. Zulian focuses her practice on patent litigation, leveraging her experience in intellectual property disputes, administrative proceedings before the Brazilian Patent and Trademark Office (BRPTO), and matters involving the protection and enforcement of intangible assets.

Ms. Zulian has a strong background in strategic legal writing, case management, and client counseling in intellectual property and unfair competition disputes. She has also worked on domestic and cross-border commercial agreements involving business operations, technology, services, supply, confidentiality, and risk allocation.
