BIOGRAPHY

Isabella Fideli has been an attorney at law at Licks Attorneys' São Paulo office since 2025, focusing her practice on Life Sciences and Regulatory Law. She has experience with both advisory and litigation matters for national and international companies across the pharmaceutical, medical device, cosmetics, food and beverage, and tobacco industries. Ms. Fideli work includes liaising with regulatory authorities, particularly ANVISA (Brazil's FDA) and the Brazilian Supplementary Health Agency (ANS), addressing strategic and operational matters related to the regulatory lifecycle of products and services subject to health surveillance.
